

Recreation Centers Arrange Programs for Special Week

Local observance of the nationwide move to familiarize Americans with the work being done by the WPA professional and service units will include a dinner at the city park Monday evening, May 20, at 5:30 p. m., followed by free entertainment and at 8 o'clock a girls' softball game on the ball diamond. The cost of the dinner is 25 cents per plate and it is open to all residents of this area.

Dale Riley, city recreation director, announces that the recreation centers will hold an exhibition next week with special programs Wednesday and Thursday evenings at the Arlington center and a demonstration of the making of patchwork quilts at the city park band stand Wednesday afternoon, May 22.

At the Walteria center there will be old-time dances Tuesday night, May 21, and on Friday night, May 24, "The Drummer Boy," a Memorial Day dramatization, will be staged by a cast of children all under 10 years of age.

Compton's Choir and Orchestra to be Here May 23

Unable to secure the high school auditorium for the attraction after weeks of effort with the Los Angeles board of education, the De Molay lodge of Torrance announced today that it would present the Compton Junior College choir and orchestra in a special concert at the civic auditorium next Thursday night, May 23.

A spokesman for the lodge said that the Los Angeles school authorities delayed public announcement of the concert before this by declining to permit use of the high school hall until the county school board approved the engagement of the Compton group here.

Tickets for the concert, which will include many special numbers, are being sold by De Molays for 25 cents for adults and 15 cents for students. The Compton choir and orchestra appeared here last year and presented a most successful concert.

RHYMES RULES
Read these few simple rules:
1. Write a four-line rhyme based on some classified advertisement which appears on the regular classified pages of The Herald and News. Your verse must concern some particular ad—not classified ads in general. (Be sure to see rule No. 5.)
2. Write on but one side of the paper, and be sure to paste a clipped copy of the advertisement about which you write on the same side of the sheet—preferably above the rhyme.
3. Date each rhyme you send in.
4. Print your name and address in full and mail your verses to the "Classified Ad Rhymes Contest Editor," Herald-News Office, Torrance, Calif.
5. You may write more than one rhyme at a time (as many as there are ads if you wish) but each one must be on a separate sheet of paper and on a different ad each time. You may write each week on the same ad, if you desire.

Quandt Must Get Permits to Dig Up Lines in Streets

When the Quandt Water Company, which operates in the Walteria area, wants to dig up a street hereafter to repair its lines it must obtain a permit from and pay a fee to the city engineer's office. The Walteria Civic Organization reported to the city council Tuesday night that Quandt was persisting in digging up streets and falling to replace them, citing an instance of a life excavated "about twice a month for the past several months."

City Engineer Leonard Young reported that Quandt has never applied for a permit since he

In another communication to the council, the Walteria organization included a copy of its letter to the Dialectic Company and odor.

NYLON Hosiery
"That New Stocking Everyone Is Talking About"

Levy's Have Them!
By Both Holeproof and Phoenix

• NYLON is NOT rayon, but is the first synthetic yarn (made by Dupont out of coal, water and air) that is elastic enough to use successfully for hosiery. Nylon has greater tensile strength and withstands friction better and longer than silk. So barring accidents of snags and runs (which happen to all hosiery) Nylon hosiery will give better wear than silk stockings of comparative weight and quality. Nylon hosiery is more sheer than silk — in fact, a three-thread hose of Nylon looks as sheer as a two-thread silk hose.

• Like all dealers — large or small — Levy's have only a limited supply of these new Nylon made hosiery, sent to us by Holeproof and Phoenix, so we advise early shopping to avoid disappointment by those who want to be first with the latest.
